

It was about the year 1876 that the writer became interested in gathering materials for a history of the Crane Family, and on Wednesday, the 8th of September, 1880, a company of descendants from the early emigrants to this country who bore that patronymic, met at the Elliott House in New Haven, Conn., to consider the advisability of publishing a family history.

~ ~ ~

This book is a "remaster" of sorts of the original GENEALOGY OF THE CRANE FAMILY, VOLUME I published in 1985 by Ellery Bicknell Crane.
